

The Kalorama Foundation is a private non-profit foundation with 501C-3 status. We rely on donations from generous persons interested in preserving and promoting the natural heritage of our land for our day-to-day operations.

We hope you will join our Friends of Kalorama in this endeavor. Entrance fees are waived for our Friends, and they receive our newsletter. We do not flood our Friends with endless requests for funds. We send one notice per year, asking you to renew your contribution on an annual basis. Membership levels are listed below, but you may contribute any amount.

In addition, you may send memorial or honorarium donations for friends and family.
